MISSION

Passionate and Caring

Bayshore is passionate and caring about everything we do, about the time we spend with our clients, about how we treat each other, and about the quality of our work.

VISION

Imagine Being the Difference

Each and every Bayshore employee has the ability to create special moments, both big and small. We constantly look for ways to make things better and to be the difference in the lives of the patients we care for, the colleagues we work with, and the communities we serve.

VALUES

Compassion, Respect, Dignity

Bayshore values compassion and reliability, team work and diversity, innovation, leadership and growth.

Careers

“

Working at Bayshore allows me the flexibility to continue working hours that suit my needs both at work and at home. I initially thought that I would work in this environment for just a few years while my children were young, but I found that I really enjoyed what I do and I cannot imagine working anywhere else.
