Become a CHPCA Associate or Affiliate and Provincial Member Today!

Joint membership with the Canadian Hospice Palliative Care Association (CHPCA) and your provincial association provides essential support to the CHPCA as it strives to achieve the Vision and Mission of the Association. Together we can make a difference.

It allows you and your organization to:

- Receive joint membership with your provincial association
- Support the ongoing development of the hospice palliative care movement in Canada
- Contribute to the development of health policy and position statements
- Receive discounted registration fees to the [CHPCA biennial Conference and Learning Institute](#)
- Receive discounted advertising rates for [job](#) and [event](#) promotion across CHPCA communication channels
- Receive a 15% discount on future trainings with [SickKids Centre for Community Mental Health Learning Institute](#)

### BENEFITS OF ASSOCIATE/AFFILIATE STATUS

**Legitimacy.** Joint associate or affiliate status and provincial membership significantly enhances the overall legitimacy of the hospice palliative care movement in Canada.

**Credibility in numbers.** The larger the associate or affiliate status & provincial membership base the more effective Associations are in many aspects of their mandates, i.e. awareness raising, fundraising, program development and national standards.

**Effectiveness.** Joint associate or affiliate status & provincial membership allows for the pooling of resources to further the overall mandate and support the development and implementation of programs/services across the country. Pooling of resources also minimizes duplication.

**Portability.** Joint associate or affiliate status & provincial membership helps ensure that knowledge, programs, services and expertise are portable across the country.

**Access.** Joint associate or affiliate status & provincial membership provides access to information, expertise and colleagues all across the country.

Join us. Join other compassionate community leaders and help the CHPCA ensure that every Canadian has access to quality hospice palliative care.
